## About Us

Reisoğlu Marble is one of the leading companies in Turkey with its high capacity quarries and product range in natural stone production since 1943. Natural stones produced in Marmara Marble, Afyon White Marble, Emirdağ Silver Travertine, Denizli Travertine quarries have an important place in Türkiye's exports. It provides services in consistency with the requirements of the time and developing technology with its deep rooted management approach to traditional production. Our company, which produces marble, travertine, granite, onyx, limestone, andesite and basalt in natural stone variety, also provides services in many areas such as marble quarry management, manufacturing, export and import.

Efesus Stone is around the world brand in the natural stone, quartz and porcelain markets worldwide. It responds effectively to the projects of domestic and international construction companies, architects and designers.
